[Scrum Gathering® India Regional 2013](#) is the first ever Regional Scrum Gathering® conference in India that will take place in Pune, July 26 and 27 2013. Scrum Gathering® is the flagship conference of Scrum Alliance, the organization which provides the globally-recognized Certified ScrumMaster®(CSM) certification.

For Scrum , Agile and Lean Practitioners, Scrum Gathering® India Regional 2013 is a unique opportunity to share and learn from community leaders, fellow practitioners and coaches. This is also a platform to connect to Agile gurus, thought-leaders, who's who of Agile organizations and also to your business and hiring prospects in a never before blend of talents.

As a participant, you also get a chance to look into the future of Agile methods and discuss and deliberate with experts on how to take your organization to next level of maturity using Scrum , Lean and other new age principles and practices. Find more information on <http://scrumgatheringindia.in/>
