The Agile Business Conference 2011 is the major Agile conference for Europe providing a single Forum for everyone who is interested in the effective application of Agile. The theme for this year's extended Conference focuses on the maturity and acceptability of Agile with keynotes and 4 tracks. The Conference provides a simple point of entry for an entire Agile audience, with the option for pre-registered attendees to attend selected Agile Training and Workshops from real-world experts on the first day. For more information and registration, visit <http://www.agileconference.org/>
